

- Ped - more open and relaxed - no place to sit down
- old lights
- buildings need spaces, bigger sidewalks, bike lanes
- Need crosswalks on both sides of the street

#### Cars:

- dangerous for walkers
- add more traffic lights
- parking is too close to patios
- Lee Hwy curve in front of Long and Foster is unnecessary
- Could expand Lee into OD
- lack of openings for shopping
- Lanes are small
- Not enough space for trucks to load and unload

#### Transit/Pedestrian notes:

- Old — cracks, potholes, unsafe
  - lots of buses - should be kept
  - See at least 4 bus stops
  - more stop signs
  - more walking space in crosswalk
  - cars going past stop line makes me feel unsafe
  - There is a spacious green median, but has no use
  - No crosswalk on OD Dr
  - Add more crosswalk lights
- crosswalk button didn't work — took a long time to give ROW, then didn't give signal  
Can't tell which button goes with which crosswalk

#### Bike/scooter notes:

- No bike/scooter infra
- not even bike racks
- Area is too congested to park a dockless scooter

-have a Bikeshare station

- want taco stand
- want e-scooter station

-only one parking area should be kept because it's spacious (needs to be remodeled/renewed)

- Unnecessary grass division
- Lack of crosswalk lights (add more)
- Area feels tight (no place to put scooters)
- Lanes are either too wide or too narrow
  
- Make sidewalks wider
- Make some crosswalks safe and add a walking light
- There's no crossing street for one way
  
- Nervous because too many cars
- needs unloading dock
  
- Add speeding sign because of cars
- "When we tried crossing the sign didn't come up so we had to jaywalk"
  
- Lack of stop signs
- lack of shop intersections
- no bike racks / lanes
- no place for scooters
- narrow sidewalks
- some traffic lights don't work
  
- Decrease old parking lot for more bike lanes
- more crosswalks
- more little bus stop houses
- bigger bus lanes
- no turn on red
  
- need stop signs
- bike racks
- open up the sidewalk by Old Dominion and Lee
- keep trees
- fix crossing lights
  
- Have bike lanes for both Birds and bikes
- very unsafe place for bikes and scooters
- more bike lanes

Survey results that are not included in the report:

What is your #1 priority, of any kind, for the future of Lee Highway?	What is your #2 priority, of any kind, for the future of Lee Highway?	What is your #3 priority, of any kind, for the future of Lee Highway?
---	---	---

Density	Public space	Inclusivity
Side walks	Stop signs	Cross walk light
To have safer roads	Make a bike lane for bikers	Put more stop signs up
more access to bikes and e-scooters	BUSES	Community Center
Parks, better sidewalks and resting area	N/A	N/A
To make it safe for people to cross the streets	To fix the traffic signs and order of the roads	To make it a more spacious and relaxing area
Better road condition	Safer intersection	Better red lights
getting more space for cars and more sides walk	more safe roads	more safe sidewalks
i would like more bus stops	i want more buildings	maybe a new park
a place for kids	for it to be safe	idk
more space for bikes and buses	more crosswalk lights	walmart
Safe walking for pedestrians	Safe riding for those on a bicycle	Equalized space for both cases and public transportation ( buses )
Parks, better sidewalks and resting area	N/A	N/A
